

What are you waiting for?

Don't keep putting off saving for your retirement. The ADP TotalSource® Retirement Savings Plan (the "Plan") makes it easy to start now so that you don't have to worry later. By setting aside just a little money from each paycheck, you can impact the amount of money you have saved toward your future.

So do something good for yourself, and enroll today. Because you are worth it!

Questions?

Call the Plan Service Center at **(855) 646-7549**. Simply press 0 to speak to a Customer Service Associate. They're available from 8:00 a.m. to 8:00 p.m. Eastern Time, Monday through Friday (excluding New York Stock Exchange holidays).

Don't panic, we're with you every step of the way!

Are you a hands-off investor? Need to be in control? Or do you fall somewhere in between? Everyone has a different approach. That's why the Plan has a range of options to fit your level of experience, knowledge, and interest. Take a look.
